Aspect. Your natural connection.

Imagine the tranquility of being surrounded by green rolling hills, yet still close enough to the city and everything it has to offer. Whether you love the scent of clean country air or the aroma of your morning café fix, at Aspect you don't have to choose. It's all here.

With 1,000 hectares of picturesque parkland just beyond your back yard, Aspect offers a playground big enough for the most active family. Ride bikes instead of trams and share the extensive walking trails with birds and other wildlife.

Plus, a walk is always worthwhile when you can enjoy stunning views of the city, mountains and Port Phillip Bay. You can live life near nature, yet still be closely connected to the city. Melbourne CBD is just 28kms away to the south west and the convenient roads and public transport links put everything within easy reach.
